Beautiful Gifts, Grown Easy!

Bring the beauty of fresh flowers indoors with Paperwhite and Amaryllis bulbs. These gorgeous blooms make thoughtful gifts for the holidays, hostess gifts, or a special treat for yourself. No soil needed!

PAPERWHITES

- Plant bulb in your own glass jar with 2-3 inches of rocks. Place bulb inside and fill with water to base of bulb.
- Beautiful, fragrant white flower on tall green stems.

AMARYLLIS

- Try a wax amaryllis for no watering or soil. Or use an amaryllis glass jar and watch roots grow down into water.
- Pre-planted bulbs in soil with decorated pot available in store.
- Colorful 3-5" wide flower blooms!
